Capabilities in Defence

- 20+ years of defence operations and sales, capital raising, venture capital, and private equity, and spinouts.
- Networks of defence intermediaries, project partners, and relevant contractors.
- Proven processes to manage funding submissions and funding guidelines.
- In-country representation for overseas companies, supported through local board roles.

Discriminators

- We are ideally positioned to use rare mix of financial, operational and technical expertise to convert your opportunity into "defence speak".
- Flexible and responsive, we can tailor defence funding solutions and engagement style specific to your business needs.
