

*For over a century, the Spencer Gulf region of South Australia has been a major contributor to Australia's industrial revolution; energy - transport - construction - mining and minerals processing.*

From this industrial landscape, Gadaleta Steel Fabrication was established to service the industrial heavy weights in the region.

With guaranteed solutions for building anything in steel, Gadaleta Steel Fabrication has developed into an industry leader and one of the nation's premier heavy steel fabricators.

Gadaleta Steel Fabrication has been providing a wide range of solutions for a broad base of industry clients for 20 years.

Gadaleta Steel Fabrication have been providing solutions for energy producers, transport, construction, mining and minerals processing clients for 20 years.

Workshops located in Port Pirie and Whyalla (South Australia) undertaking large and small scale projects.

**PORT PIRIE**

12 Wattle Street Port Pirie  
Phone: 08 8633 0996  
Fax: 08 8633 0997
