PROUD SA FAMILY BUSINESS

Established in 1979 under the leadership of the current directors, Mossop Group Pty Ltd was founded to provide the industry with a hardworking, fair, and reasonable construction and interiors contractor to deliver the highest quality project outcomes. / The family run business has grown to become one of the largest South Australian based building companies, delivering a wide array of projects across the state including city, metropolitan, regional and remote areas. / Now known as Mossop Construction + Interiors to reinforce both aspects of the group, the company has industriously worked year on year to continue the successful growth of the business. Today Mossop Construction + Interiors employs 130+ locally based staff, and proudly provides jobs to hundreds more local subcontractors and suppliers.

AWARDS

Mossop Construction + Interiors are recognised amongst the industry as possessing a reputation for fairness, integrity and hard work, recognition that has translated into numerous industry awards. Most notably, the 2012 + 2015 Master Builders' Association (SA), Commercial Builder of the Year Award.

“In all the categories they entered, Mossop Construction + Interiors projects stood out every time. Their builder client relationships were of a high level and they obviously strove to achieve building excellence at every opportunity. Their consistent level of build quality and their systems, procedures and outstanding safety systems made them a worthy winner of this very prestigious building excellence award.”

WHAT WE STAND FOR

Our philosophy is to consistently satisfy clients' needs by providing quality construction, with consideration for contemporary factors, such as environmental awareness, ease of maintenance and ease of management. / Mossop Construction + Interiors have built a formidable reputation for providing quality projects at a competitive price. We are known for being hard working and for value adding by anticipating issues and suggesting practical and innovative solutions.

HARDWORK

We take pride in our work.
We're not afraid of putting in the hours to achieve the goals.
We go the extra mile.

FAIRNESS

We achieve the best outcomes for our clients because we're reasonable and respect all people involved in the project.

INTEGRITY

We're open, honest, and reliable.

TEAMWORK

Success comes from all project team members working together collaboratively and respectfully.

PROBLEM-SOLVING

Anticipating issues and devising practical and innovative solutions is important to us.

GETTING IT RIGHT FIRST TIME

We work intelligently and exercise care to achieve the best outcomes and ensure we get it right the first time.

VALUE FOR MONEY

We deliver quality value for money outcomes across all our projects.

FINISHING

We work diligently to ensure all aspects of a project are completed to the highest quality, on time and to budget.

FINANCIAL STRENGTH

We have the financial strength and capacity to deliver major projects across all markets.

CONSTRUCTION

Mossop Construction + Interiors continue to deliver exceptional construction projects to our clients. We are proud to have exceeded their expectations on the projects shown here, as well as many other projects with complex conditions and construction requirements. / Through our strong industry relationships with specialist consultants, authorities and talented architects and designers we are able to add value throughout the project. Our team will assist at every stage, from concept and feasibility, buildability and construction advice, planning and logistics, right through to compliance, certification and final completion. / No matter the size or value, we consistently approach each project with the mindset to do the best we can, to go the extra mile with integrity, respect and understanding of the people and conditions involved.

FITOUT

Mossop Construction + Interiors have a specialist interior fitout team with proven experience and expertise to deliver commercial fitouts across all markets. / We have been delivering award-winning fitouts for our clients for over 35 years. We focus on understanding our clients' requirements and their individual projects. / We treat our clients as valued colleagues, working collaboratively with them and the project team to achieve all expectations. / Our interior fitout team can provide fast tracked solutions, and a holistic project management approach. We deliver projects of the highest standard - on time and to budget - and use our exceptional knowledge and care to ensure we get it right the first time.

REFURBISHMENT

We specialise in refreshing existing buildings and giving old tired spaces a new lease of life; best demonstrated by our own offices in a heritage-listed former church. / Whether our clients are looking to undertake a minor refurbishment, completely transform their building inside and out, or enhance existing spaces with new developments, we have the expertise to assist them achieve their objectives. / Our personnel are professionals with the skills and knowledge to undertake complex heritage construction and refurbishment projects. / Mossop Construction + Interiors have extensive experience working with project teams to upgrade commercial buildings and interior spaces. We take pride in improving the operational and financial viability, and reviving the aesthetic appeal of an existing property. / Our capability extends from the upgrade of building facades, services, lifts, lobbies and foyer areas, end of trip facilities, and disability compliance to complete building refurbishments and extensions.
